Steel lever clamp	711238

Deep Cut Technology.

Deep Cut Technology allows you to make cuts up to 66 mm with a saw blade of just 165 mm. Even with a guide rail attached it's still able to reach a 61 mm cutting depth!

Dust-free at a turn and pull.

The rotatable and lockable dust ejection nozzle assures high flexibility and a dust-free jobsite.

Built-in safety for every project.

Our C3607DB's fast-stopping brake and proactive kick-back protection ensure seamless safety and enduring precision, boosting your success with reliable and controlled cuts.
