Noise level	86 dB
Dimensions (H x L)	286 x 275 mm
Tool weight	2.0 kg
Weight with battery ¹	2.4-3.0 kg

Versions ²	
N1804DAWXZ:	2x battery BSL1820M, charger UC18YFSL, nose cap, stackable case HSC III
N1804DAW6Z:	Nose cap, stackable case HSC III
N1804DAW4Z:	Nose cap, cardboard box

¹ With battery BSL1820M. Weight according to EPTA-2004 procedure.
² Standard accessories vary by country or area.

Our Air Spring Drive System.

Our unique air spring drive system uses the compressed air sealed in the main unit. It drives up to three nails per second with zero ramp-up time, and it sets nails flush consistently without combustion noise or gas fumes, so your running costs are significantly lower.

Combine this innovative system with our highly efficient Brushless Motor technology and you are able to drive up to 1,000 nails per charge.

Lightweight design, compact body.

The N1804DA is the lightest 18V cordless narrow crown stapler with only 2.0 kg on the market. Its compact body allows for easier operation in tight spaces
